Beer & Cider

Blacksalt Brewery - Brewed onsite

SCHOONER 6.5

PINT 9.5

Geoff and Dan are twins, both scientists, and both with a passion for beer, from their backyard brewing they began brewing 300l at a time at Salt, creating probably Australia's first Nano-Brewery.

Winner of 5 international silver medals and best wheat beer in WA, it's most likely the most awarded brewery per square metre in the world!

Blacksalt Original - Pale straw in appearance with subtle malt and noble hops on the nose and palette; this highly quaffable medium-bodied ale finishes with a lager-like crispness and just a hint of ale-like fruitiness.

Vienna Lager - Deep copper to red coloured, this lager is defined by a distinct nutty malty nose and palette, but still retains a clean flavour profile typical of a lager beer. It has just enough hop to balance the assertive malt profile and give a well-balanced, extremely drinkable beer.

Blacksalt Weisse - This turbid beer is brewed primarily from wheat, utilising an eccentric yeast to produce an ale that is extremely fruity and spicy, with pronounced banana, clove, pear, candy and hints of bubblegum to round off the flavour profile. This highly carbonated, full bodied beer has a creamy mouth feel and pours with a large, dense, rocky head.

Note: There will also be the odd seasonal beer as well.
